

# **Debate Report**

Our debate took place in November. There was a lot of preparation involved and that was the part I enjoyed the most. We were up against Tydavnet so we also organised a few friendly's a week before the real thing. We learned a lot through the friendlies and they helped up to be more prepared.

The Debate Day arrived and we left school at 10 o'clock. When we arrived we were introduced to the other debaters and shown to our seats. It was a fun debate and a great experience. I was disappointed when the result came through but I wasn't down hearted. I learned so much from being part of the debate team and it has made me a more confident person. I would love to have the opportunity to do more debating again in the future.
